

ALWAYS MOVING FORWARD

We are a Global leader in the manufacture and marketing of road construction equipment. For an exciting and challenging opportunity, we are seeking enthusiastic individuals with an interest in becoming a member of a professional high performing Global team.

Work-Study Program

B. A. Business Administration (m/f)

Specialised in Marketing

In cooperation with the Hochschule Weserbergland, we offer the work-study program in Business Administration. Our program specializes in Business to Business marketing of advanced construction products. From product development to promotion, you will have the opportunity to experience how products are innovated and brought to the global market place!

Your tasks and responsibilities:

- Work within various Global Marketing functions like research and analysis, planning, product management, and promotion.
- Be part of a project team along with having your own individual projects.
- Experience an **employment abroad** assignment in one of our **global sites**

Our Expectations:

- General qualification for university entrance (Abitur) or equivalent with good grades in business subjects
- Commercial apprenticeship with good GPA desirable
- Proficient knowledge of English language
- Willingness to work abroad
- National and international mobility after graduation
- Passion for **international marketing** topics

We place high value on quality, safety and environmental care. This applies to our products as well as for our team members and their work-environment. We offer a modern place of work, environment for innovative ideas and a good working atmosphere within a large company.

If you are interested, we look forward to receiving your complete application via email in English language.
